

THE COVENANTER  
June 24, 2018

Member NE GEORGIA Presbytery,  
Synod of the South Atlantic, General  
Assembly of the Presbyterian Church  
(USA)

**Kickin' It at Covenant** is back again this year! For six Wednesdays in June and July, this is time to learn more about the Bible, share some ice cream, and play games together. On each day, we'll have a Bible lesson and activity starting at 6:30 pm, followed by ice cream at 7, and then indoor and outdoor games afterwards. Join us for kickin' it on June 27\*\* and then again on \*\*July 11, 18, and 25\*\*. 6:30pm—8:00pm. The theme for this summer's lessons is **DIRT**: learning all about the stuff of God's creation and how God brings good fruits from it (and from us).

**SUMMER PUNCH AND COOKIES!**

Sign up on the bulletin board next to the mailboxes to provide refreshing punch and other goodies after the 9:45am worship service. **Available dates:** July 1, 8, 29 and August 5 & 12  
(Please no red punch)

End of the fiscal year is upon us. Please submit any and all reimbursements for 2017-2018 fiscal year as soon as possible.

Thanks, *Judy*, Bookkeeper

For the month of JUNE Covenant is collecting for the AAEPB: **SALTINES**, and **canned PORK & BEANS**. For the month of JULY Covenant will be collecting: hot and cold cereal and as always brown paper bags.

*Thank you Covenant and may we all have enough!*

Tuesday, July 10 \*\*\* **GRADUATES LUNCHEON** \*\*\* 12:30pm

Our summertime **Graduates Covered Dish Luncheon** will be Tuesday, July 10, at 12:30pm, in Fellowship Hall. All ages are welcome to join with our retirees for a delicious meal together and a presentation by our own Sandy Whitney (certified Red Cross) about the new AED – Automated External Defibrillator. She makes it so easy – and everyone needs to become familiar with it, like dialing 911. Beverages & ice cream sundaes will be provided, so bring a light dish to share, and bring a friend! See you there.

**Learning to be more environmentally friendly is easier than you think.** You don't have to jump in by changing everything, start small to make the changes more sustainable and a part of your normal life. Here are 3 ways you can begin to become more environmentally friendly.

**1. Become More Aware of Resources:** Start by living with a greater awareness of the resources that you use in your daily life. Pay attention to how you choose to heat, to travel, to use water and use products that were made by manufacturing practices. Awareness is what will allow you to then begin to make [environmentally friendly choices](#).

**2. Practice Conservation:** With your new awareness of how natural resources are used in your life start to practice conservation. This can be as simple as turning off the lights as you leave a room and as complex as making different choices when it comes to building your home. <https://www.conserve-energy-future.com/top-15-green-home-building-techniques-and-ideas.php>

**3. Plant Trees:** Trees are necessary for us to survive. They give oxygen, fruits, clean the air, provide shelter to wild-life, prevent soil erosion. A shady landscape around your home can help you to reduce consumption of energy and keep your home cool even during summers. Plant small trees around your home, don't cut them unless it's necessary, work with local environmental groups to plant more trees and educate others about the positive aspects of it.

## In Memory

The Covenant congregation extends its sympathy and prayers to the friends and family of our longtime member, Bill Willis, who died suddenly on Tuesday, June 19, 2018, at the age of 96. A memorial service was held on Thursday, June 21, at Lord & Stephens West, to celebrate his life & love for God, shared with so many through the years. A native of Epes, AL, Bill graduated from Auburn University and then entered the US Navy, serving in WW2, before working for Westinghouse for 40 years. He loved the outdoors where he enjoyed camping, hunting, fishing, and gardening. In his later years, he enjoyed studying and investing in the stock market.

The family joined Covenant Presbyterian Church in 1972, and Bill rejoined in 2008, upon returning to Athens after 13 years of life in San Antonio, TX, where he was an active member of First Presbyterian. At Covenant, Bill was especially active with Meals on Wheels, the Building & Grounds committee, and our Boy Scout troop, helping start it and serving as a leader as long as it existed. He faithfully attended all church activities, here every time the door was open, always to be counted on for his helpfulness. He also enjoyed The Graduates at Covenant, attending the monthly luncheons often, always with a smile on his face and a funny story to tell.

Bill was preceded in death by the mother of his 4 children, Mary Claire Burns Willis, and by his son William John Willis, Jr., and by his second wife Linnelle Greenhill Willis of San Antonio. Survivors include his 3 daughters: Martha Leigh Willis of Watkinsville, Nancy Claire Willis of Athens, and Catherine Burns Willis (Mike) Oliver of Birmingham, AL; his grandchildren Niki (Philip) Verrastro of Bogart, Hannah Ruth Oliver (Tom) Turner of South Korea, Emily Britton Oliver of Portland, OR, and Claire Ellen Oliver of Birmingham, AL; and his 2 great-grandsons Gavin Anthony Verrastro and Levi William Verrastro. In lieu of flowers, memorials may be made to Meals on Wheels in Athens. As usual, you may make your checks out to Covenant, marked for Bill Willis, and the church office will forward these funds to Meals on Wheels for you in July. We give thanks to God for all that was good & kind in the life of Bill Willis.

**Meet Our Neighbor Katia** – Covenant has recently become a member congregation of the Interfaith Sanctuary Coalition (ISC), a group of Athens area faith communities committed to offering friendship, hope, and compassionate support to our undocumented neighbors. Through ISC we have met Katia, a 19 year-old mother of two who has lived in Athens for 17 years. Her husband was deported to Mexico a few months ago, leaving Katia with her mother and sister to try and make ends meet. Currently Katia is working some shifts at a local flea market. In the fall she will be returning to school, seeking to complete her high school education through an on-site, on-line program at the ACC School District office. Here are some ways we can help Katia immediately and in the months to come:

- \*By providing Lyft gift cards or a bus pass so that she can get to work and run errands

- \*By offering rides to school several times a week in the fall (once we know her schedule we will set up a Sign-Up genius for volunteer drivers)

- \*By supplying her with plastic storage bins and age-appropriate books for her children (she has a one year-old boy and a three year-old girl)

- \*By sharing information about local, private cosmetology schools and helping fund her tuition

Thank you for prayerfully considering entering into this relationship with Katia and her family. In these days when many of us are rightly focused on legislative efforts to enable parents and children to stay together along our borders, this is a chance to extend gospel love to a vulnerable family that is already here.

As one of my teachers likes to say, “Justice is good, but supper is essential!”

**5th Sunday Worship Experience -**  
*The NEXT 5th SUNDAY is July 29! We will combine a mixture of the summer experiences of our young people as they participate in VBS "Maker's Fun Factory", "Kickin' It at Covenant" and the Middle and High School Summer Conferences.*

**Child Liturgist (10:45 Service)** 3rd - 5th graders lead the *Call to Worship* each Sunday. Summer NOTE: As we move into the summer months, child liturgists will come on a volunteer basis. If you would like your child to lead the call to worship over the summer, contact Karen in the office and let her know which Sundays work for your family. *Instructions:* The bulletin will be emailed by the end of the week on your week. Practice with your child. During the "Voluntary" of the worship service, the liturgist may join the pastors in the chancel. To begin, your child can invite the congregation, "Please join me in the Call to Worship." *Need to switch weeks? Please do so with someone who is leading in weeks after your child and let the office know.*

**Going underground with WoRM!** "let the little children come unto me." - Jesus The teachers and shepherds of this joy-filled time of providing for the Christian education of our children are such a blessing. Do you have a sense of call to participate in this ministry? The leaders for the next school year will meet over the summer (date: TBD, late July/early August) to plan and pray together in preparation for the school year. If you are interested in learning more about how you can offer your gifts and fulfill your sense of call in this way, please contact Craig: [ctopple@covpresathens.org](mailto:ctopple@covpresathens.org)

**Bathroom Renovation update from Pam Knox as of June 16** I've been asked a number of questions about the status of the bathroom renovation project and thought I would provide a short discussion of what has been done, how it is being paid for, and when it will be finished. Most of this is based on information from Hank Tweedell and Karen Wetherington. Information is also available in Session minutes from February 4, 2018. The work is being done by Grahl Construction. There are two different projects underway. A shower is being added to the basement next to the WORM cooking room for use by IHN visitors. The cost of this portion of the renovation is approximately \$25,000. Upstairs, the Fellowship Hall bathrooms have been gutted and new men's and women's rooms are in the process of being plumbed, with three stall in each bathroom plus new double sinks along with mirrors. At the time I looked at it, the rough plumbing was in and the contractors were about to pour the cement floors. Once those are dry, they will frame in the walls and install tiles and fixtures. The process of connecting the Fellowship Hall bathrooms to the kitchen sewer line should help alleviate ponding of water near the entrance to the portico in the parking lot when they resurface that part of the lot. The cost of the upstairs renovation was estimated to be approximately \$95,000, but some additional costs were incurred when asbestos was discovered in the demolition and had to be removed. The original sewer line from Gaines School Road to the Fellowship Hall bathrooms was determined by camera inspection to have collapsed (which is why they were shut down earlier than expected), and replacing that would have cost about \$100,000 due to the depth of the line, so Covenant is fortunate that the separate sewer line from the kitchen was already available. Hank was not sure when the work would be completed, but it could be as early as three weeks. There should be no problem finishing by the end of July, well before the fall season begins. Costs for the renovation project will be somewhat higher than originally expected due to the discovery of the asbestos as well as changes made in the design of the project by Session as the contract was finalized. Most of the cost will be covered by the Jubilee Campaign account, which also covered the roof replacement. Some of the Jubilee money is also reserved to renovate the playground, so additional money for the bathroom renovation will come from the Capital Reserve Fund. Jim Bowden has also requested that some additional funds be made available from the Bowden Book Fund. At this point I cannot tell you the exact amounts from each source since the final bill has not yet come in.

If you have any questions, please feel free to contact me and I will do my best to answer them. *Pam Knox*

"We have been assured, Sir, in the Sacred Writings, that 'except the Lord build the House, they labor in vain that build it.' I firmly believe this; and I also believe that without his concurring aid we shall succeed in this political building no better than the Builders of Babel."
