## PEACE &amp; GLOBAL WITNESS OFFERING

Sunday, October 7th

**PEACE is ACTIVE, not PASSIVE!**  
**PEACE is DOING, not WAITING!**

By giving to the Peace & Global Witness Offering we work together to share Christ's peace with one another. As we support the Peace & Global Witness Offering we share Christ's peace with one another, beyond the doors of this church, beyond the limits of this town and beyond the borders that may feel very distant. As we respond to those in need who make their homes among us as well as those who live in places far away, God is always near. Thank you for your participation. The Peace & Global Witness Offering collected on Sunday, Oct. 07, 2018 allows our church the opportunity to provide financial resources for PCUSA to actively work for justice and peace in resolving conflicts around the world. *This year, three fourths of our offering will support PCUSA ministries of justice & reconciliation, and one fourth will be used locally, to support the Interfaith Sanctuary Coalition of Athens. Please mark your check P&G W in the memo portion. Thanks!*

**Bread and Grapes for World Communion Sunday!**

*Following the 10:45am worship service everyone is invited to the fellowship hall to enjoy bread and grapes and fellowship. Please bring your bread and/or washed grapes to the kitchen on Saturday, October 06 or early Sunday morning before church school.*

**OPPORTUNITY TO HELP! Covenant is to host IHN families October 21 – 28.** Please check out the sign up board in the hallway across from the church offices to see the many ways you can help. And thank you for your willingness to help! Our IHN guests now have a wonderful, new shower downstairs. What a difference this will make in their stay at Covenant. **SO, we need donations of bath towels.** If you would like to donate towels to Covenant IHN then please leave them in the church copy room on the counter or you can make a cash donation in the offertory marking the memo line IHN bath towels. . Many thanks!

**Meet Our Neighbor Katia**—Covenant has recently become a member congregation of the Interfaith Sanctuary Coalition (ISC), a group of Athens area faith communities committed to offering friendship, hope, and compassionate support to our undocumented neighbors. Through ISC we have met Katia, a 19 year-old mother of two who has lived in Athens for 17 years. Her husband was deported to Mexico a few months ago, leaving Katia with her mother and sister to try and make ends meet. Currently Katia is working some shifts at a local flea market. In the fall she will be returning to school, seeking to complete her high school education through an on-site, on-line program at the ACC School District office. Here are some ways we can help Katia immediately and in the months to come: \*By providing Lyft gift cards or a bus pass so that she can get to work and run errands

\*By offering rides to school several times a week in the fall (once we know her schedule we will set up a Sign-Up genius for volunteer drivers) \*By supplying her with plastic storage bins and age-appropriate books for her children (she has a one year-old boy and a three year-old girl) \*By sharing information about local, private cosmetology schools and helping fund her tuition

Thank you for prayerfully considering entering into this relationship with Katia and her family. In these days when many of us are rightly focused on legislative efforts to enable parents and children to stay together along our borders, this is a chance to extend gospel love to a vulnerable family that is already here.

As one of my teachers likes to say, "Justice is good, but supper is essential!"

## **WITNESS SUNDAY is October 21—Come and see; learn and grow!**

### **PRESBYTERIAN DISASTER ASSISTANCE**

**OUT OF CHAOS, HOPE**

Our Witness Team continues to support Christ's mission to the world, offering a global focus on ways we can be helpful. This year, we will welcome Edwin Gonzalez-Castillo, the Presbyterian Disaster Assistance consultant for continuing aid to Puerto Rico after the 2018 Hurricane Maria. He will preach at both worship services, host a Q&A presentation during the Church School hour for youth & adults, and be present for individual conversation during lunch in Fellowship Hall. We hope to create a Mission Trip to Puerto Rico for the

summer of 2020. Shares your ideas & talents! *Terry Centner & Sandy Whitney*, chairs

*A catered luncheon by The Blind Pig will be served at 12:15pm - monetary donations are appreciated.*

### *A Note from Kathy Boardman aka Serial Pilgrim!*

We are emBARKing on a Grand Adventure: my German Shepherd, Robbie, and I, that is. Pentecost 2017 I got the Word that it was time to hit the road. I am outfitting a cargo van to camp out of, getting repairs done on the house, and divesting myself of as many belongings as I can. No, I'm not putting the house on the market at this time. I am more than ready, though, to have less stuff and live more nimbly. In a nutshell, I will be learning what it really means to live as a nomad. There is a growing population of thriving full-time itinerants: many are solo women over age 50 creating a dynamic community.

Jessica Bruder in her book, *Nomadland*, shares the story of nomad Linda May: "Besides, even as a solo traveler, it was clear she would never be truly alone—there was a whole band of wanderers to meet, including many solo women around her age who were also on the road. Together they were a sub-culture, building their own set of customs, experimenting with survival strategies and circulating the best ones, writing a playbook for life on the underside of the economy. That kind of fellowship was important to Linda. 'I'm a real social person,' she explained. 'I didn't feel like I would be out there by myself, lonesome and depressed and just scraping by. My life could be exciting and fulfilling and creative.'"

Launch is November 18<sup>th</sup> for The Cousin Tour. We will leapfrog between family and friends as we head west, and once in Texas begin to collect caravans of folks migrating to the Rubber Tramp Rendezvous (RTR) in Arizona in January. Check out Bob Wells and Cheap RV Living on social media. Following some formal training for Robbie as a therapy dog, and warmer temperatures, we will head north to Washington State and Colorado for long-awaited reunions.

The trip is on one hand, for research, and on the other, for following my bucket list to see the West and visit Presbyterian camps along the way. It seems to me that ongoing needs of female van dwellers are for rest, safety, water, power, and spiritual conversation. What better place to find these things than at camp?

My persona related to my birth name is going into suspended animation, for privacy and security. On the Road we will be known as Katiemac & Robbie @ Serial Pilgrim. Katiemac S. Pilgrim and Serial Pilgrim pages are already growing on Facebook. Serial Pilgrim also has a place on Instagram, Pinterest and Youtube which will expand as I learn the tools and share experiences. Please Follow, Like and Share us. If you don't "do" social media, but have email, and would like to receive probably a monthly newsletter and blog link, please send your email address to [serialpilgrim@gmail.com](mailto:serialpilgrim@gmail.com) and add [serialpilgrim@gmail.com](mailto:serialpilgrim@gmail.com) to your email address book.

Your visual and audible engagement will help sustain us as we boldly go. Thank you so much!
