## IMPORTANT MESSAGE ABOUT COVENANT'S 2022-2023 PROPOSED BUDGET!

Dear Covenant friends,

I am writing to give you a brief narrative description of next year's proposed budget, which you received in the mail along with your pledge cards. That way you will get an overview of changes we are suggesting without having to wade through all the numbers.

First, a note about the budget process. To create the preliminary budget, the Finance Ministry Team (FMT) requests budget amounts from each Ministry Team. They provide amounts based on past spending as well as expected future needs. This has been difficult for the past two years during COVID, but the teams were told to plan for a church that is fully open with all programs operating in person. This preliminary budget is considered to be a "wish budget", with the understanding that amounts may be altered once all pledges are in. At that point, the FMT determines if cuts to the budget should be made and how best to make them, in conjunction with the individual teams where necessary. A final proposed budget is presented to Session, and they vote whether or not to approve it after making any additional changes they desire. The congregation does not vote on the budget but receives it for information. A copy of the current budget is available on the church website.

This year's proposed budget is based on the requests from all ministry teams. There is one error in the printed budget you received—the total budget for 2021–2022 should be \$449,547 as listed on the top. The bottom value double-counts Travis' salary and FICA, a mistake I made in preparing the spreadsheet. Highlights from the proposed budget include:

- A 6% increase in salaries for all employees but Dana based on the recommendations from Personnel to cover the cost of living increases due to inflation. Dana's salary is from his interim contract and he said no increase was necessary. Note that Karen got the same percentage increase but it is divided between salary and an IRA contribution at her request.
- A one-time line item in Administration for \$700 (based on Dana's recommendation) for a congregational study required before a new pastor search can commence.
- An additional line item for funding for training for Session as they work to prepare for a new pastor.
- A reorganization of line items in Christian Ed to reflect function (meals, etc.) rather than programming (Cov. Connection) and to add an intern to help with children's programming such as Cov. Connection and a small stipend for the new library.
- Significant increases in Community Outreach (now renamed Missions—Local/Global) to reflect our continuing needs from the community. The Family Promise model has changed from mostly volunteers to paid staff on weekends, which is more expensive. They also requested an increase in money for the food pantry due to continuing needs in this area.
- No mission trip is planned this year due to continuing concern about travel restrictions. The Montreat trip this June is covered under our special restricted accounts for 2021–2022. The \$1000 in the 2022–2023 budget for Montreat is a placeholder as discussions about youth ministry/ participation continue.
- Care and Nurture of Young Children has been moved to the Worship section.

Please feel free to contact me if you have additional questions about the numbers or the budget process, or come to our monthly Finance meetings and get involved in the budget discussion! *Pam Knox*, Treasurer, [pnknox@yahoo.com](mailto:pnknox@yahoo.com) or 706-543-9560 (home)

## Earth Day is Friday, April 22, 2022.

The first Earth Day was observed on April 22, 1970, when 20 million people across America celebrated by filling their local streets, parks and auditoriums to demand a healthy, sustainable environment.

They were concerned about their cities laden with smog, polluted rivers, rampant pollution, and other environmental hazards.

Since then, Earth Day has been celebrated around the world, by people from all walks of life who are concerned about making a sustainable future for their children. In the past, events, festivals and overall awareness campaigns mark the day, with the hope of preserving the environment.

You might think protecting the Earth is a monumental task, one that can only be performed by superheroes. But believe it or not, there are many things we can all do to make a difference. Even small changes can have a big impact.

## PROCESS FOR THE ELECTION OF ELDERS BEGINS- *Forming a Nominating Committee*

Each year, Covenant elects elders to serve a 3-year term on the Session. The involvement of the congregation is important during the entire process. Marie Ballard-Myer is the nominee for election by the congregation.

There will be a congregational meeting on **Sunday, April 24, immediately following worship** to elect this member of the Nominating Committee. For questions or recommendations, please contact Kay or Donny.

McLaren, and it spurred many fruitful discussions. Why does Christianity sometime

have an air of hostility towards other faiths? How should Christians view other religions? McLaren uses examples from his own life as well as ideas from theologians to explore the topic. ## Covenant's Emergency Food Pantry

*Jesus said, "You give them something to eat." Members, and friends of Covenant have been giving generously of their time and talents to the Emergency Food Pantry. As you can imagine, the need is great.*

**Covenant's Emergency Food Pantry Thursdays, 1pm—4pm.**

**Next food distribution is on Thursday, April 21!**

### HOW CAN YOU HELP?

**STAY SAFE**—If there is any reason at all that you should NOT physically volunteer—consider the following:

Make a financial donation to the Food Pantry by sending a check to Covenant and write “food pantry” in the subject line. (*You could send it in at the same time you send in your pledge*).

We can use grocery bags (paper or plastic), and small boxes to pack the food. If you call the church, someone could even come out to your car and get it.

If you are able to physically be present as a volunteer:

You can also share the 3-hour time slot with 2 friends!

**Please sign up for Covenant Food Pantry!**

Feeding 100 families every week is hard work and we need your help! Our drive-thru pantry is awesome and you should join us and impact your community.
