The Covenanter
November 1, 2026

Member NE GEORGIA Presbytery,
Synod of the South Atlantic, General Assembly of the Presbyterian Church (USA)

Sunday, November 1, 2026 - The commemoration of the saints goes to the heart of our faith; death has not won (I Corinthians 15: 55-57); in all we do we are accompanied by fellow Christians, living and dead (Hebrews 12:1); and in the end we will join others in praising God eternally (Revelation 7: 9-10). In worship we will refer to them during a moment of recognition and prayer. Please check the list of names on the table in front of the office and add or correct names as needed.

Thornwell—It is through our faith that God calls us to care for the most vulnerable and know that He will provide. Thornwell began as dream of a young Presbyterian minister, Dr. William Plumer Jacobs, and the faithful gift of fifty cents from a 10-year-old boy named Willie Anderson. That seed of hope grew into a ministry that has served thousands of children and families with love, healing, and support. Now, 150 years later, Thornwell continues to serve children and families through a Christ-centered continuum of care, supporting children, teens, young adults, and parents through programs across Florida, Georgia, and South Carolina. Each November, churches like yours join in Thornwell Emphasis Month to celebrate this legacy and continue the work Dr. Jacobs began, helping families grow strong and stay rooted in faith. Whether through a prayer, a post on social media, or coins dropped into a beloved Tom the Turkey bank, your gifts make a lasting difference. Let's continue the legacy, rooted in faith and growing in love. *Ways to give*: Fill up the Turkey with your coins or use the envelope (on the table in front of the office or in the worship center). Make checks payable to Covenant with Thornwell in the memo portion, or https://thornwell.org/give/

BUILDING TOMORROW'S FAMILIES

This fall, our worship will feature a sermon series called *A Strange New World: Another Story to Live By*. The theologian Karl Barth once wrote that "within the Bible there is a strange, new world, the world of God." Scripture does more than offer familiar religious ideas or helpful lessons for the lives we are already living. Again and again, it opens a door into a world that can enlarge and unsettle our own – a world where strangers become teachers, abundance is measured by whether all have enough, power takes the shape of self-giving love, and God is found in places we might never have thought to look. From Rally Day through Christ the King Sunday, we will enter that strange biblical world together, listening for the ways its stories and visions might help us see our own lives, our church, and our common life with fresh eyes – and discover another story by which to live.

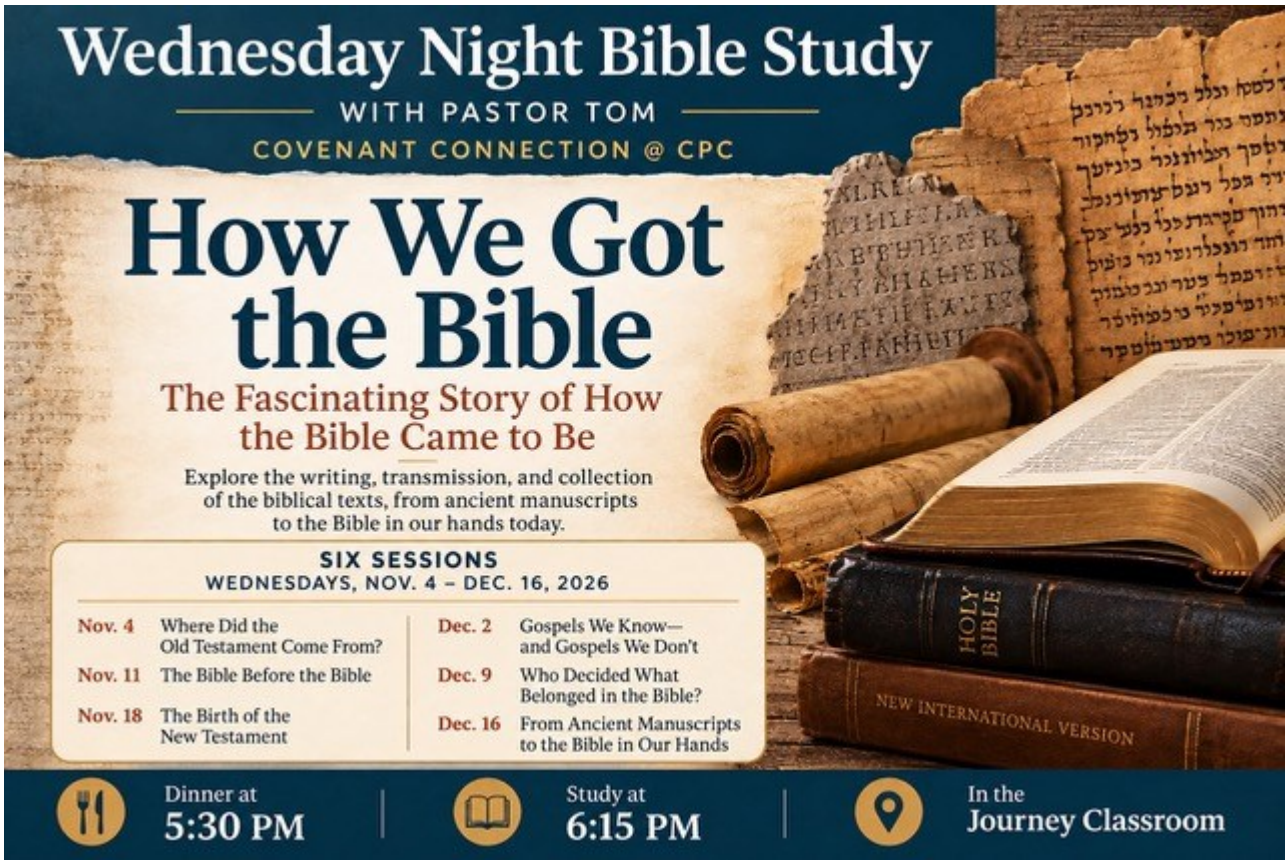

Athens Area Emergency Food Bank is still in need of brown paper bags. Please put them on the table as you enter the gathering room. (please no egg cartons) Thank you!

THE GOD BOTHERERS CLASS - Sunday, November 1, at 9:30am - Covenant Library.
A Wideness in God's Mercy: Christian Faith and the World's Religions,
A New Six-Week God-Botherers Sunday School Series
Christians confess Jesus Christ as the decisive revelation of God's love for the world. Yet we share that world with people whose lives are shaped by other religious traditions, sacred stories, and encounters with the divine. How should we understand their faith? Is God at work in the world's other religions? And can we remain deeply committed to our Christian identity while recognizing the spiritual wisdom and truth that others may have to offer? In this six-week series, we'll explore some of the most influential approaches Christian theologians have developed to these questions, from traditional exclusivism through various forms of inclusivism and religious pluralism. Along the way, we'll engage Scripture and influential thinkers such as Karl Barth, Karl Rahner, John Hick, and Paul Knitter. Join us for thoughtful, open-ended conversation about the mystery of God's grace, the particularity of Christ, and what it means to live with love, openness, and generosity in a world of many religions.
