# PRESBYTERIAN WOMEN NEWSLETTER

August 2025

Dear Sisters in Christ,

Our Moderator Nancy is at a conference with no internet, so she asked me to help her out by writing the welcome letter.

July is almost over, and August is right around the corner. I look forward to seeing you at the August Workshops on August 23rd in Eatonton.

I have looked at the Horizons Bible Study for 2025-26. I am so excited about this study. We will be looking at texts from all Four Gospels, but especially at texts from Luke, and from also Phillipians. The artwork is once again spectacular. I am looking forward to Judy's in depth introduction to the study. Once again, Rev. Nadine Ellsworth-Moran, fresh from Sabbatical, will be with us to present a workshop on *Soothing Time for Your Soul*. Equally important, I look forward to fellowship with old friends and new.

Hopefully, you will make plans to join your fellow NEGA Presbyterian Women on August 23<sup>rd</sup> at Eatonton Presbyterian Church. **Don't forget to register** so that we will know how many and what kind of lunches to provide.

See you soon.

Blessings and Peace,

*Elaine*

Introduction to PW Bible Study  
Finding Resilience, Joy, and Our Identity in Jesus Christ.  
Facilitator Judy Grieve, Covenant Presbyterian Church,  
Augusta.

Author Rev. Dr Rashell D. Hunter writes: In this Bible Study, we will explore **Resilience**. This is modeled for us by several biblical characters, Gospel, and epistle writers, as well as Jesus. And **Joy** which is sometimes confused with happiness.... Joy can occur while we are in the midst of difficult situations. And **Identity** which is more than who we are or who we show ourselves to be.

This is an invitation and an opportunity for you to become grounded again, renew your faith, and reconnect to Christ. Join me in this quest.

Reverend Nadine Ellsworth-Moran's workshop will lead to Soul Soothing.

This workshop will help you find quiet in the midst of all the chaos. Reverend Nadine is on Sabbatical and will provide more information after she returns from finding her own peace and joy.

The workshops will be presented simultaneously. Attendees will be divided into 2 groups. After the first sessions the groups will switch..
